## 2014...Year of Unlimited Grace and Greater Exploits

### January 2014

When the Lord spoke to us this year on the things he will want us to do, they were projects and assignments that are bigger than us but we rest secure on his words that says that his grace is sufficient for us.

We started this year outreaches on 10/01/2014 at RCCG Mainland Europe special Holy Ghost service in Amsterdam Netherlands with a stage drama ministration that ministered unto many.

We began the shooting of a television/internet serial tagged "The Message" in Amsterdam which will run through the year on both internet and television stations. We covet your prayers and support. ....to be continued on the next page
