## Europe Drama Conference 2014

The Cloud of Glory is moving over Europe; the Lord is raising a drama army for himself in the lands. This year Europe Conference 2014 was an outstanding one as the Lord has wet the ground for us during the drama ministers fasting program. We had participants from United Kingdom, France, Netherlands and Nigeria for the 4-days conference. The conference began on Thursday 24<sup>th</sup> with all participants in high expectation to receive from the Lord. The second day started with high praises from a musical team which were in attendance and the Lord began to move in our midst; we had video teachings on Drama from Daddy and Mummy, Mike & Gloria Bamiloye which expressly blessed the participants and also from Evangelist Shola Mike Agboola (Evom Networks), Evangelist Wole Adeyi (Flaming Sword Ministries USA) and Evangelist Temitope Jonathan.

The participants were divided into two groups and for 3 days had group morning devotion in the hotel room, each group also presented a drama and also we held a prophetic walk round the area surrounding the venue in Groesbeek, Netherlands using the place as a point of contact to possess Europe for the Lord through drama/ film evangelism. ....continue on page 3

## Europe Drama Conference 2014

We also engaged the participants in practical sessions; a practical acting tips class by my husband, Dr. Olumide Fatunsin and a short film clip shooting during the conference. Some of the highlights of the conference this year was after the drama ministrations from the two groups on Day 2 of the conference in which the Lord began to move in an unusual way taking us into the realm of the prophetic. Words are not enough to describe it as various words of prophecies began to go out to specific individuals. This move of God continued with us through the next day and at the end of the conference on 27<sup>th</sup> April; participants were given certificates, drama visions were born and we are marching on in Europe taking the land for Christ.
