My Grace is Sufficient for you!

The phrase above culled out of 2 Corinthians 12:9 has given us more than the needed courage to do all that the Lord asked us to do from the beginning of this year 2014. Humanly speaking, the projects and assignments that God has committed into our hands are beyond us and we have been seeing his hands at work in us. This newsletter features our ministerial activities From June 1st till September 30th 2014

"**THE MESSAGE**" a new television/Internet serial is now running on YouTube and plans have been concluded to start airing it on a cable television in United Kingdom starting from October. Each of the episodes has a message that is different from the next ; it actually like shooting short movies with dif-

ferent titles assembled together under a main title. One of the episodes "THE YOKE " is now subtitled in Dutch in preparation for transmission on a Nether-

lands television channel. We trust God to help us to subtitle the other episodes as well. We do hope that the Lord will bless you through this special edition of our newsletter and inspire you

to do his will!

TILBURG DRAMA WORKSHOP: This was the first provincial workshop to be organized in the whole of Netherlands as commanded by the Lord to create evangelical drama awareness throughout the country and Europe as a whole. There are 12 provinces in the whole of Netherlands in which Tilburg is located the Noord Brabant Province.

NOORD-BRABANT DRAMA WORKSHOP

The workshop started on time with greater percentage of the participants being Dutch speakers. Thus, the interpretation in Dutch was effectively utilised as it was announced in the flyer for the workshop . Evang. Toyin Fatunsin started by giving a lecture on Fundamentals of Christian drama while

Evang. Olumide Fatunsin engaged the participants in Practical Acting Tips.....

Participants at Tilburg Drama Workshop

Interestingly, a member of our ministry (Mrs Bolanle Runsewe) from Nigeria was around to lend her full support. Participants were

equally involved in declaring the whole country for

the Lord and that Drama evangelism will be established in churches and be used in winning the lost to the Lord.

The meeting ended at stipulated time with some participants responding to the call to evangelize the land through drama evangelism. It was interesting to also note that a church drama group was present and their remarks about the workshop were positive and to God

alone be the glory. It was the first time that the ministry will conduct a workshop in Dutch language since its arrival in Netherlands in 2011. The 3 drama lectures of the workshop are available

The Spark of fire from the Tilburg workshop led to an Invitation from Gemeente Stroom van de Liefde in Oosterhout for an awareness drama workshop in their church. Worship was in Dutch language bringing down the presence of God as majority are Dutch speakers. The workshop was conducted in English

and Dutch. As usual, Evang. Toyin Fatunsin delivered the first session on how to establish church-based drama group The second session was handled by Evang. Olumide Fatunsin on practical acting tips with short demonstration from some participants. Some of the participants shared their testimonies about the usefulness of

drama in winning the lost which elicited joyous atmosphere. The workshop ended by commissioning the drama group of the church by committing them into God's hand.

South-Holland Drama Workshop in Rotterdam 20th September 2014

The drama workshop in Rotterdam was an unusual one as the Lord raised Drama leaders in the province during the workshop with the instructions for them to go and disciple other drama groups and start up drama groups in their area.

One of the highlights of the workshop was the showing of

an episode from our television serials titled HIDDEN SIN which the Lord used to minister to all that were present.

The next awareness drama workshop in Netherlands is in Gelderland Province of the Netherlands.

Daughters of Destiny Conference August 15th-17th 2014 started in 2011 on Skype where sisters who are members of the group on Facebook connect online to share the word and fellowship together. Apart from day programmes held for members in 2012 in United Kingdom & Ireland this will be the first residential conference of the group. The vision to encourage sisters to be what the Lord want them to be has started back in Nigeria in 1996. The con-

ference had three main speakers whom the Lord used extensively during the conference; Pastor (Mrs.) Comfort Omishakin (Netherlands), Pastor (Mrs.) Ruth Ogdare (Ireland) & Evangelist Tope Jonathan (UK). A video teaching of Evangelist Gloria Bamiloye on the role of sisters in Ministry also blessed the participants during the conference. The conference was hosted by Evangelist Toyin Fatunsin.

Europe Drama Ministries Report...Evangelist Paul Thierry Obrou (Obrou Ministries France) Testimony from Europe Drama Conference 2013 in Netherlands

Before attending Europe Drama Conference 2013 I have produced 4 short movies but I learnt a lot more and also value things about Drama Ministries than before after the conference. I have in time past ignored many things, the conference was spiritually wonderful, my vision was cleared and my understanding sharpened. I also learnt how to produce movies with rights

technical means and also more on practical acting. The conference was rich and I did not regret attending it.

After the Conference; I trained my group and I produced my first full movie in French titled "Au SON de la Trompette (At the trumpet Sound) with English subtitles and also a short movie titled "Candidats

à la Maturité" Our last movies are technically and spiritually different and we blessed the Lord. I also have the privilege of featuring in Overcomers Film Productions "Come Home & I Promise You Lord in Netherlands.
